

Expert Recruiting & Hiring Services

MotivAction
Recruiting

A Targeted Team Approach To Solving Your Hiring Needs.

“Dawn and her team understand our key initiatives, our industry and our culture extremely well. Since she understands the healthcare environment, her placements have been the exact fit we needed to continue to add value to our team. MotivAction has become a strategic partner in our best hiring practices.”

Eric Saff
CIO, John Muir Health

MotivAction's staff can assist you in building new talent for your organization. We know what it takes to bring your team to the next level and it all starts and ends with your **next** hire.

100% HEALTHCARE: MotivAction recruits 100% within the Healthcare industry. We have over 17 years of staffing experience in placing candidates within these three key areas:

- **Healthcare Informatics**
- **Information Technology**
- **Executive Management**

We recruit across the United States for well respected payers and provider organizations. Our recruiting team is based in the following locations: Oregon, Washington, California, Florida, New York and Minnesota.

SPECIALTY FOCUS: As our client, you are immediately partnering with seasoned staff and expert recruiters who understand that the success of your business lies within understanding your industry, your team dynamics and the best skill fit for your organization.

Our expertise is within the placement of:

- RN and Non-RN Clinical Analysts
- Lab, Pharmacy, ED Analysts
- Disease Management, Revenue Cycle Analysts/Project Managers
- Clinical Implementation Project Managers
- Physician Support Analysts
- Regulatory/Compliance Project Managers
- McKesson, Cerner, Meditech and Epic Consultants
- Trainers, Business Analysts and IT support consultants
- CMO's, CIO's, VP, CMIO's and Director level specific only to Healthcare informatics

TEAM EFFORT: We are an extension to your recruiting strategy enabling you to find the right candidate for your team. As strategic partners, we will align our contacts and network within our extensive resources to find the quality candidates that you need.
